

AP Lit Poetry Theme Project Reflection

Name: _____ Date: _____

Self Reflection

What did you contribute to the project?

- role you played in choosing poet, selecting poem, and identifying theme
- which secondary sources you found to support theme
- independent ideas you developed
- parts of the final product you produced

How much time did you spend working on the project outside of class together as a group AND alone?

How, and how often, did you communicate with your group members regarding your contributions and efforts?

In what ways were you effective as a group? In what ways did you struggle?

Group Evaluation

Please fill out the following as honestly as possible. It will not be shown to your group members without your permission.

Partners' Names	(Self)	(Partner)	(Partner)
Was this partner responsible for specific portions of the project (research and product)?			
How (or not) did this student follow through and adequately uphold their responsibilities?			
What percentage of the research and process did each member complete? Why did you choose this percentage?			
Which percentage of the final product did each member complete?			
How would you grade the effort these students put forward? Why?			
How would you grade the research and product these students produced? Why?
