

# **Current Events and Ideas Article Analysis**

**SAT Preparation Class**

1. Record the title, and state the main idea in your own words.
2. Select the three most significant details or facts from the article. Explain why the three you have chosen are important and how they support or relate to the main idea.
3. State your reaction, using an emotion word, and then explain your response.
4. Relate some element of the article to your own life and experience.
