

# MAD

- *Define this word.*
- *Describe a scenario involving a mad person.*

# MAD

1. *disordered in the mind*
2. *completely unrestrained by reason or judgment due to intense anger*
3. *completely unrestrained by reason or judgment due to enthusiasm or desire*

# WRITING TASK

- Option I:

Describe a specific situation involving a mad person in vivid detail. You may choose either definition: insane, angered, or desirous and enthusiastic. You must use four synonyms for mad in your writing.

- Option II:

Describe the evolution of a mad person's emotions: from desirous and enthusiastic to angered and finally to insane. You must use two synonyms for each meaning of *mad*.

# MAD

1. *insane, deranged, demented, maniacal, unbalanced, delusional*
2. *enraged, choleric, irate, fuming, livid, wrathful, infuriated, malevolent, furious*
3. *delirious, feverish, frenzied, wild, intense, vehement, excessive*
