***The Misanthrope* bonus opportunity**
SAT VOCABULARY

1. Write the sentence from the play with the word in it.
2. Determine what you think the word means based on its use in this sentence. Indicate context clues (from the sentence or surrounding sentences) that helped you to conjecture about meaning.
3. Record the definition of the word and at least one SAT-level synonym for the word. If multiple definitions exist, choose the definition(s) that is apt for the context of the book's sentence.
4. Compose a sentence of your own about a text we have read or a concept you have learned, using the new word in context that clearly shows its meaning. You must show that you can use the word—DO NOT copy or rephrase sentences from internet sites.
