

Unit 3 Assessment 5

Socratic Seminar Bonus

How and why are individuals defined and transformed by their environments (physical, social, and cultural)?

How and why do movement and mixture (physical, social, and cultural) cause conflict within the individual?

1. Answer the question—and think complexly.
2. Provide support!
 - *2 quotations from *Pygmalion*
 - *2 quotations from literature circle text
 - *1 quotation each from 2 poems
3. Explain your evidence.

Articulate why each quotation support your main idea.
